Dedication

We, the class of 1954, gratefully dedicate this edition of The Viking Annual to our class counselor, Mrs. Virginia Grizzle, for her warm friendship and reliable guidance.

Throughout the past three years she has graciously guided the class to this, our graduation, and prepared the way for each of us to go on to adulthood. As we leave La Jolla, we shall take with us the memory of our friend and counselor who played such an important part in our high school years.
